# IRIS FROM IDAHO

## 1950 IRIS WHOLESALIST

Various circumstances prevented us getting this Wholesale List out sooner. We have opportunity to sell all of our Iris surplus to one Jobber but would rather get out a wholesale list and send it to all of our good wholesale customers. Our Rhizomes are all extra large and nice, being all from two-year-old plantings. Look in our Catalogue (which you should have) for descriptions. Order early to avoid disappointment. THESE PRICES ARE WHOLESALIST. Do not order less than 5 of any variety.
